## **Discretionary Rulings**

(as per posting on [www.uwsa.ca/elections](http://www.uwsa.ca/elections))

Re: Class Email Lists

Class email lists may not be used as a method of communication for campaigning. A class email list is only available to select members (i.e. TAs or persons of authority). Due to this limited accessibility class email lists are a prohibited means of communication but we encourage you to make use of classroom talks instead.

Re: Club / Society Endorsement

A club or society president may not endorse a candidate, however the club or society as a whole may. This endorsement may be achieved through the approval of the club executive or the society's council.

Additionally, the club or society in choosing to potentially endorse a candidate must provide the option to all other candidates in order to be recognized as an officially endorsed candidate (i.e. if society/club x is providing Mr./Mrs. Y the option to present to the Council or the executive in order to be endorsed than all other candidates must be given the option to present – if they chose to do so or not is a different topic).

Re: Facebook Activity Outside of Campaign Period

No groups, events or other campaign related activities on Facebook are permitted outside of the prescribed campaign period.

Sanctions will be issued for any of the above Facebook activities that are found after Wednesday, October 7 at 4:00pm.

Please note, this grace period does not apply to the previous prohibition on “inboxing” or chronic status updating, these activities will result in their prescribed sanctions.

Re: Posters

The 50cm x 50cm rule refers to the size of the paper. For 3D posters, the third dimension may be to your liking but within reason – please review with us if you are not aware of “within reason”.

Re: Professors

Please remember to contact the professor ahead of time in order to schedule a class talk time.

Professors are considered University resources, however, if a professor is willing to wear a candidates campaign team shirt this is permitted since the additional attention is in the electorates best interest.

Re: Sidewalk Chalk

There is no rule against it but please be conscious of campus aesthetics.

Re: Table toppers

Table toppers shall be considered equivalent to a poster and accounted for accordingly.
